DRIVE YOUR STUDEBAKER DAY

Thanks to Henry Votel for these great photos from a couple of the North Star Chapter get togethers.

The North Star Chapter will again be a sponsor for this great event. Our goal is to have 10 Studebakers (or more!) this year. It's a real nice "fall" cruise of about 175 miles, depending on where you live. The club will reimburse any member that participates in the drive.

You will need to register early, by September 15, to be listed in the event program book. Let Maynard Lemke know if you are interested. Contact him by phone at 763-478-5307, or email him, jmlemke@comcast.net

For more information and photos of last year's drive, visit the Drive for Kids website, www.driveforkidsmn.com

This is a great way to have our Studebakers seen by a large number of people... and it is for a great cause!

Hope to see you and your Studebaker on the road with us!

— Maynard & Joan Lemke

NORTH STAR CHAPTER RECOGNIZED IN IOWA

The North Star Chapter was given the **Chapter Participation Award** at this year's International Meet in Cedar Rapids Iowa. This award was given to the chapter with the most members in attendance.

Member Todd Langenfeld is shown accepting the award from Richard Dormois during the awards banquet

Way to go North Star Chapter!

Editors Note: There will be additional International Meet coverage in the September issue.

Thank You

On behalf of the Clearwater Chapter of Operation Minnesota Nice, I want to thank you for the generous donation of \$300. We send packages and letters to soldiers in Iraq and Afghanistan to boost their moral. We are given names of soldiers that don't receive much mail. Here is an excerpt from a letter I received from one of my soldiers. "Thank you very much for supporting us, this package was a pleasant surprise!. Also, I want to thank you for taking time to help the troops away from home. We all greatly appreciate the help. YOU MAKE A TREMENDOUS DIFFERENCE. Unfortunately not everyone gets a package every time they pass mail out (about every two weeks) and to receive a package from a stranger and hearing a "thanks for your service" makes a huge impact on our morale!"

My soldiers have enjoyed getting Jim's old issues of car magazines.

SALT-2-SALT STUDEBAKER RACE TEAM PREPING FOR NEW RECORD ATTEMPT

Greg and I are still furiously working on the Salt-2-Salt Studebaker. We haven't started the engine yet, but we are still hopeful that we will be ready to head to the salt flats on Thursday (August 6).

This year we have a super-charged F*rd flathead V8 and hope to get the XF/BFALT and XF/BGALT records. If we're lucky and we have time we can go after the XF/BGC record as well. This all hinges on us actually finishing the car in the next 3 days – a daunting task.

You can check out what we've been up to on www.salt2salt.com

For more info on the Bonneville and this year's Speed Week (August 8-14), visit www.scta-bni.org/ Lots of history and great photos of past events.
