

DRIVE FOR KIDS 2009

— *By Maynard Lemke*

What a day! Cold, but we had working heaters (didn't we?). People met at our house and after some hot coffee, four Studebakers began our trip to Mounds Park in St. Paul. We did some socializing, had more hot coffee and treats and collected our goodie bags. More importantly, we picked up two more Studebakers and a nice Brand X.

Back on the road while still in St. Paul, we came up along side an old train. It was a steam engine with old passenger cars from many different railroads. The steam from the engine was blocks long in the cold air, sometimes covering all four lanes of the highway. As we drove along, people were flying by us to get ahead of the train so that they could pull over and take pictures. Does anyone know anything about the train?

The first stop was at the rest area along the river just before Prescott. A lady stopped and took some pictures of the cars and then we were off again. Next stop was at one of the many small towns on the Wisconsin side of the river. They guys stayed at the cars, the ladies shopped!

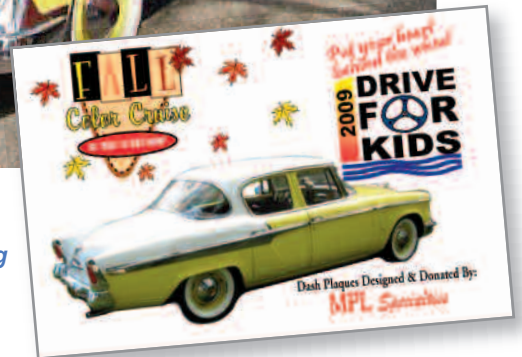

What a sight, all of the Studebakers and old Brand X cars caravanning down the road. We didn't stop again until we arrived at Red Wing and the car show. We parked the Studebakers [and X] in a row went to have lunch at the Legion. Then it was time for the famous Red Wing arts and crafts show.

Left to right, WCCO's Dave Lee, Steve "Dash Plaque" Remick and former Golden Gopher and NFL running back Darrell Thompson at this year's Drive For Kids event.

Jerry (Brand X) Pearson won the "Special Youth Award," judged by the "youth" at the show. Top 20 trophies were awarded to John Kaczmarek for his bullet nose and me [Maynard] for the convert. Lois Bauer won tickets to a show. After the awards, we all went our separate ways home.

I want to thank Jim & Andy Ringquist, Gene & Lois Bauer, Jerry & Rita Pearson, Jim & Fern Gieselman, John Kaczmarek, Steve Remick and Joan [Lemke] for braving the cold weather and making this a very enjoyable day.

These club members drove their cars, some up to 270 miles, on the Drive For Kids This is, to me, one of the best charities that we give a donation to. I want to again thank Arlan Vollan for bringing this worthwhile cause to the club's attention.

And Yes, Steve Remick's Studebaker was featured on the Drive for Kids dash plaque (see photo).

Hope to see you next year!

From the Drive For Kids website:

Thanks again to all the drivers, sponsors, donors and volunteers for helping make Drive for Kids 2009 a huge success. More than 100 drivers and 60 volunteers turned out on Sunday October 11, 2009 to net over \$10,000 to support programs for at-risk youth offered by Bolder Options, the Portage for Youth and the Red Wing Youth Outreach program. Since its inception in 2003, Drive for Kids has raised more than \$60,000 for youth charities.

FROM THE BACK OF THE CHAMP...

It has been another active fall for the SDC North Star Chapter members. I hope you were able to put a few extra miles on the Stude these last nice weeks after our cold and rainy October. Most of the cars and trucks are probably in storage or just about ready to be put away. Don't forget to put in lots of dryer sheets in the engine compartment, trunk and interior to keep the mice at bay while your Studies are stored.

We've had a nice couple of fall meetings back inside at some great restaurants. The October meeting saw the club donate funds to Pilgrim Cleaners for their coat drive, to **Minnesota Nice** for the soldiers serving overseas and a scholarship fund began at Hennepin Technical College. It is fantastic that the club makes these donations from the car shows proceeds and our gracious host at the Black Smith Lounge. (George provides a \$250 donation at each show.)

At the November meeting we met new members and went over the rest of the year's events – the **Christmas Party at Lord Fletchers on Saturday, December 5th** and the **Annual Meeting at Lake Elmo Inn on Saturday, January 9th**.

My thanks to Jim and Andy Ringquist for setting up these chapter events. It's a lot of work and I appreciate their efforts. This newsletter has the flyers so please respond quickly to them with your check for each of these events. At the annual meeting we will hold our Chapter election. Positions open this year are Director (seat held by Jim Rock, he is running again); Vice President (held by Jim Ringquist, he is running again); and Secretary (held by Rose Price, she is running again). If anyone is interested in running this year for any of these positions, please contact me.

I'd like to again thank Maynard Lemke for setting up the 2010 Club Event Calendar. It's a great asset having Maynard set up the entire year's events. This gives an early heads up for planning which events your family and Studebaker attend. Thanks Maynard. Look for the calendar in an upcoming issue and copies at the Annual Meeting.

Have you checked out our web site lately? Bob Shaw continues to do a great job for us along with being the web master for the SDC web page. Check the inside of the newsletter, you can find web addresses for the Bylaws, Roster and other club information. Thanks Bob.

The car show committee will begin to meet again next spring. Henry Votel has done a fantastic job heading up the committee. His is going to take a lesser role and we are looking for a few members to step up and chair or co-chair the committee. Please contact Henry or myself.

Thanks are in order to the great committee members and all the set up and day of show volunteers. We have had great weather and great shows that have allowed us to make the generous donations previously mentioned. If you want to get involved with helping at the shows next year, let me know. It is because of the great core of active club members and their willingness to pitch in at the club activities that makes this a great club, a fun club and my job really, really easy. Thanks!

Thanks also go to Bob Stude for putting together these newsletters. Please help him out with a short article or some pictures. How about a quick note on the first Studebaker you owned. Some of you can write about the 50th Studebaker you owned (or still own!) Or a story about tracking down that really special and hard to find part, or about the great people you have met at the meets. Everyone tells you about the Studebaker that someone in their family had. We need to hear your stories—it doesn't need to be anything fancy—just look at this column. Tell us what you like about the club and what you'd like to see us tackle. Bob's contact information is in the newsletter.

Please support the club by attending the next couple of meetings/social events. Contact Jim and Andrina Ringquist for reservations, 763 682-5423.

Please note: There is a rumor that Santa will send along his songs (he won't be making an appearance, too busy this year) for a group sing-a-long. But don't let that stop you from attending!

Have a great fall,
Dean Elstad

HOW'S YOUR TURNING WHEELS?

I received the following note from our SDC President and am asking for your help. Please read :

Dear SDC Zone Coordinators:

The Board has been engaged in a discussion about whether to polybag Turning Wheels every month. We received a complaint from a member complaining that his magazine almost always come damaged. We suspect that this problem may be quite widespread, but aren't sure. Prior to taking the step of polybagging all of our TW's, at great expense, I thought I'd ask a favor of you. Would you please ask your Presidents to conduct an informal poll within their chapters to determine how many members have problems with damaged TW's? If you could then get back to me I be most appreciative.

*Thank you,
Mimi Halgren*

If your copy of Turning Wheels has been delivered with any damage, please let me know. Send an email or note detailing the damage and how often it occurs. Thanks!

NORTH STAR CHAPTER MEETINGS

October 8, 2009 – Latuff's Restaurant, Plymouth, MN

Members Present: Jim & Cheryl Rock, Gene & Lois Bauer, Maynard & Joan Lemke, Fern & Jim Gieselman, Dean Elstad, Sandy Bergeron, Dick Kemper, Jerome & Amy Vanderlinde, Karen & Keith Rust, Mike & Jan Rasset, Mike & Rose Price.

Greetings. Dean Elstad, President, discussed past events.

JIM ROCK, DIRECTOR, gave a report on the **Swap Meet**. There were 32 vendors, with 150 – 200 people attending. The profit was about \$155. The auction was a great success.

Car Show. There were 375 cars, \$3,939 in revenue with \$1,900 profit.

DONATION COMMITTEE. Encouraged anyone to fill out the request form and send to the Committee for review.

Joan Lemke, Treasurer, gave **TREASURER'S REPORT**. Discussed Chapter donations to Hennepin Technical College \$2,000. Carol Carlson could not attend tonight to discuss the scholarship. There is a spring luncheon, which a couple members should plan to attend to represent the Studebaker Club.

Special guests attending were Bonnie Engler, President, and Judy of Pilgrim Cleaners. Joan presented them with a check for \$500 for Coats for Kids. Bonnie was very thankful and talked about how the money would buy coats for the sick children staying at the Ronald McDonald House.

Joan presented a check for \$300 to Fern Gieselman for Operation Minnesota Nice to be used for gun cleaning kits for soldiers.

Blacksmith Lounge will give the Chapter \$250 for each Car Show, which will be donated to the Hugo Food Shelf.

MAYNARD LEMKE, DIRECTOR, discussed the Drive For Kids coming up on Sunday. There is an open spot if someone else can attend.

Maynard presented the Annual Poker Run plaque to Mike Price for winning this year's Poker Run. His name was added to the plaque and, by tradition, he can keep the plaque for a year.

SUGGESTION was made to begin a clothing line for the Chapter. A suggestion was also made to give jackets as prizes instead of plaques.

ELECTIONS COMMITTEE: According to Bylaws, Rose Price, Secretary, will head the Elections Committee with Fern Gieselman assisting. Positions up for re-election: Director (presently Jim Rock).

Vice President (presently Jim Ringquist). Secretary (presently Rose Price). Jim Rock and Rose Price will be running again.

NEXT BOARD MEETING: Tuesday, October 13 at 7:00 PM at Lunds, Plymouth

NEXT CHAPTER MEETING: Wednesday, November 4 at La Casita Mexican Restaurant in Roseville. Dinner at 6:00 and meeting at 7 PM. Any questions, call Mike Price (612) 325-2793..

MEETING ADJOURNED.

*Respectfully submitted,
Rose Price, Secretary*

November 5, 2009 – La Casita Mexican Restaurant, Roseville, MN

Members Present: Joan & Maynard Lemke, Jim & Andy Ringquist, Mike & Rose Price, Jerry Peterson, Barb & Steve Remick, Jerome & Amy Vanderlinde, Jim & Cheryl Rock, Doug & Bev Brown, Dean Elstad & Sandy Bergeron, Bob & Kris Krowech, Dick & Kate Kemper

Welcome from Dean Elstad, President. Introduction of our new members, Bob and Kris Krowech – Welcome!

A special cake was there to celebrate the 50th Anniversary of the Lark. Very yummy!

JIM ROCK, DIRECTOR, passed around a notice of the Geneva Lake Classic Car Rally in Lake Geneva, Wisconsin. There is a car show, parade, poker run, raffle and evening dance.

Dean reported on the Board Meeting on October 13. The Chapter has about \$12,000 in proceeds. The Labor Day Car Show had a profit of \$1,900.

DONATION REQUESTS: Everyone is encouraged to fill out a Donation Request form and turn in to Jim Ringquist.

JIM RINGQUIST, VICE PRESIDENT, announced the upcoming events.

December 5th will be the **Christmas Party** at Lord Fletcher's in Minnetonka.

January 9th will be the **Annual Meeting** at the Lake Elmo Inn in Lake Elmo.

Jim had a couple flyers available, and there will be a flyer posted in the Chapter newsletter, which will be coming out on the 10th.

UPCOMING ELECTIONS: Available positions: Vice President, Secretary and Director. **Jim Ringquist** will be running again for Vice President. **Jim Rock** will be running again for Director. **Rose Price** will be running again for Secretary. Anyone interested in also running, please contact Dean. Election competition is encouraged.

MAYNARD LEMKE, DIRECTOR, gave a report on the Drive For Kids. Big success that day with good weather and great turnout.

Maynard reported on the Calendar of Events for 2010. A complete copy will be handed out at the Christmas Party.

The Drive Your Studebaker Day has been changed to September 4th (instead of July 4th) to better accommodate the seasons in other countries.

A caravan is being planned to a toy museum in Wisconsin.

JOAN LEMKE, TREASURER, shared a very appreciative thank you letter from Pilgrim Cleaners for receiving a donation of \$500 from the Chapter. This donation will buy coats for the sick children staying at the Ronald McDonald House.

Hennepin Technical College Scholarship has been sent \$1,000 this year and will receive \$1,000 next year. There is a Spring Luncheon for scholarship recipients and we should have a couple members from the Chapter attend.

Joan is in charge of the Sunshine Club and if there are any events/happenings of the Chapter's members, please let her know. She will send out the appropriate card to that member.

ANNOUNCEMENT: Henry Votel will be retiring as Car Show Committee Chair and we are looking for a volunteer to fill his spot. There will be a car show planning meeting next March. Thank you to Henry for all his hard work over the past years!

Dean encouraged everyone to read the Turning Wheels and the Club's meeting minutes.

The National Meet will be held in Arizona next year.

NEXT EVENT: Chapter Christmas Party on December 5th at Lord Fletchers. Be sure to get your reservation in. The Chapter will be supplying the dessert.

MEETING ADJOURNED.

*Respectfully submitted,
Rose Price, Secretary*

NEWS FROM THE NORTHLAND WHEELS CHAPTER

VP ON A LARK...

Editor's Note. This is a portion of the Northland Wheel Chapter's newsletter article that I received from Jim VanDell.

I want to thank those of you who have renewed your chapter memberships in the past couple of months, especially in these shaky economic times. Doing so helps assure the continuing support having a local SDC chapter can provide.

The 4th Annual Studebaker Swap Meet in Hudson, on September 19th was again, fun and profitable. Steve Carlson and I went down on Friday night, arose early to set up the store, and spent the day talking Studebaker, shopping and selling. Gary Dahl was the only other chapter member I recall being down there. The folks from the Badger Wheel and North Star Chapters do a really good job of putting it together. If you need parts, have parts to sell, or want to buy or sell a Studebaker, keep it in mind for next year.

One of the Christmas DVD's and a couple of hats were donated for the auction which helps fund the event.

Steve sold most all of his parts and I now have 3 new front fenders for the '65 Daytona, plus rear brakes, heater core, control valve and a blower motor. With every added part acquired comes added guilt for it not being on the road. But that's another story.

On my weekly excursion to Silver Bay last Thursday (October 1) above Gooseberry Falls I saw an unusual vehicle profile ahead in the distance. As I got closer, yup, it was a '47 - '52 Studebaker. Getting closer I determined it was a '50.

Must be a Commander or a Land Cruiser because its running 55-60 mph and not slowing down on the hills (no offense to 170 & 185 c.i. owners, but size does matter when climbing hills).

Turns out the adventuresome couple were North Star Chapter members Jim and Dodee Colombe, from Little Falls, MN in their '50 Commander of 50 years. They were on one of their "gotta dos"... a circle tour around Lake Superior.

One can only imagine the amount of Stude talk they had every stop along the way. Hopefully, we'll have a report on their trip in a future issue of the North Star Wheel. It could be titled: "Drive Your Studebaker for a Month."

Byron Zeman from Chisholm renewed his membership & sent in this picture of his maroon '53 Champion 2-door sedan. This is a rare car to be preserved. It hasn't the glitz and glamour of the C & K coupes and hardtops, nor even of the Commander and Land Cruiser models. Too often the bread and butter models of any brand are forgotten and lost to posterity. Good job Byron, keeping this piece of history on the road.

We'll have a good opportunity for discussion, on December 6th, at the Chapter Christmas Party. That's when we'll schedule our meetings/events for the coming year, a good reason to be there, along with all the goodies, gifts, games and prizes. Mark your calendars.

As in past years, there will be no meeting for November, taking the time for family and Thanksgiving.

Until next time...
Studebakerly, jimv

He smiled, thanked me for my interest, but said that he already had someone in mind. However, he added that Ernie Loga in Eau Claire, Wisconsin, was in possession of an identical coupe "that had sacrificed a few parts for the greater glory of his," and that it would be an ambitious restoration project. Well, I bought that "donor" car from Ernie, fixed it up a little, and sold it eight years later.

Fast forward another six years to mid-summer 2008... One evening I got a phone call from Harold wondering whether I might still be interested in buying his '50 Starlight. After getting myself back into the chair I fell out of, I excitedly told Harold that I was most definitely still interested in his car. Even though I hadn't actually seen it for several years, I knew how Harold had always lovingly cared for the car mechanically and cosmetically.

Not too long after that, Harold and I made the deal, and after a couple of visits with Harold and Marilyn, Becky and I trailered the Stude home on "Labor Day Saturday" 2008, with the promise to Harold that I would do my very best to care for the car as he had cared for it for three decades.

In the year that I've owned the car, I've rebuilt the one-barrel Stromberg carburetor, changed fluids, changed out the brakes and wheel cylinders, and waxed it. It looks and runs as well as it did when I first spotted it in 1994 at the Northtown Mall. Thank you, Harold and Marilyn! I'll take good care of your gem!

Vocabulary
WORD FOR THE MONTH

RIGHT-OF-STAY

DEFINITION

When two drivers disregard the right-of-way guidelines they were supposed learn in driver's training when they were 16, resulting in both cars remaining motionless at an intersection waiting for the other car to move first. After about 10 seconds both cars go at the same time, leading to a firestorm of profanity and/or an accident.

The first time I spotted this beautiful 1950 Commander Starlight Coupe was in the autumn of 1994 at Northtown Mall, where it was on display as part of the North Star Chapter's weekend showing of about 35 Studebakers.

I introduced myself to the owner, Mr. Harold Hoag, and after chatting about the car for a while, I told Harold that if he ever was to sell the car, I would be very interested in buying it.
