## ***President's Notepad. . . .***

Memorial Day is now history and was also the wettest May in many years. Seventy eight cars weathered the rainy day; about 1/2 of last years attendance.

Twenty one studebakers came out of hiding and one Volkswagen.

I really want to THANK those that came out to help. The Sunday morning crew was great. Zip, zip and things went up.

Those helping were John Lidberg, Betty & Harry Grimley, Jim Ringquist, Mike & Jan Rasset and wouldn't you know the same people were right back helping Monday morning plus Doug Brown, Craig Harrison, Bob Smith, Keith Rust and Jim Gieselman. They all jumped in to help.

Ed & Jean Skomoroh helped in a big way; tallying votes and listing winners for awards. Jim Rock helped with the prizes while I checked on the "tie" with Ed. Another thanks to Jim Rock for taking down posts and signs. It was done so quickly. What a great crew to have!

We did not beat the rain showers. Peoples choice and Best of Show and all got wet! This year we went a little extra \$\$ on the 1st place trophys and they sure looked good.

I also had a plaque made for the folks at Ellingson to express ur appreciation. Patty does such a nice job and thinks of all the last minute details. Scott Ellingson even ran a tow service for one vendor that got bogged down in the mud.

I am not goods at telling people what jobs to do for the day. Everyone seems to just jump in to help. I do wish more of you would help give the workers a break so they can stretch their legs or take a look at the cars. It's a long day and it always seems to be the same members are doing the work. I know some of the members were the ones who did it all in the past. Please consider just filling in for an hour or so. Sorry, I felt this just needed to be said. Nobody said it would be easy.

Enough unloading on you for now. Hope to see you at the Red Wing Father's Day Show and the Poker Run is always fun. So come on out this Summer.

Now let's get ready for "Back to the Fifties" weekend!
