Chapter Newsletter

NOV/DEC, 2008

From the back of the Champ. . . .

I Hope you are making the transition from fall to winter, remember, you can't fool Mother Nature.

We've had a nice couple of monthly chapter meetings in October and November at restaurants in Roseville and now are looking forward to our next two fun and exciting big events (held again at the same places as last year). The Christmas Party is on Saturday, December 6 at Lord Fletchers on Lake Minnetonka. See the flyer and register today! Jim Ringquist says there is some cool stuff to be had. This is a very nice time and I hope you can join us.

Then early next year is the very important North Star Chapter Annual Meeting. It is set for Saturday, January 10th at the Horse and Hunt Club in Prior Lake. Please join us.

Besides having a nice dinner and conversation, this is our annual chapter business meeting where we hold elections for half of the club officers. Up for reelection this year are: one Board of Director, the Treasurer and the President. Maynard Lemke has indicated he will run again for the Board. Joan Lemke has indicated she will run again for Treasurer. And I have indicated I will run for one more term as President.

I haven't heard from anyone else interested in running for a position. Please, if you are shy and want me to nominate you for any of these positions, give me a shout, a call or an email. We will also take nominations from the floor.

I want to thank all of the members that are serving as club officers and also everyone that has served our club in the past. I also want to thank the other members that volunteer for the other very important positions: membership, newsletter, web site, historian, social activities, and the car show committee. Special thanks this year to the huge bank of members that worked on our very successful Upper Mississippi Valley Zone meet. We are truly blessed with dedicated members that offer their time and talents to the club and make the job of the officers and myself very easy.

And not to forget the reason this is all possible – you, the club members. I thank you for taking the time and interest to be involved with the club. You send in your dues, contribute what you can, maybe coming to a meeting or a car show or just driving and spreading the word about Studebaker. Sandy and I have met some marvelous folks around the world and here in our own back yard through our interest in Studebakers. I hope you have too. Thanks again for being involved with the North Star Chapter and SDC.

We have a great year planned out for 2009! We hope you can make the meetings, the events and the shows. Contact me if you have any questions, comments or things you would like to see the club do. If not, keep driving and enjoying your Studebakers.

But first, call Jim, (Jim and Andy Ringquist, 763-682-5423) make your dinner selections, send in your checks and plan on attending both the North Star Chapter SDC Christmas Party and the Annual Chapter Meeting in January. The Board has voted to assist with the cost of the events and we hope you will take advantage and join us!

Have a great year!
Dean and Sandy

Membership in the North Star Chapter stands at 169 memberships.

Membership Roster sent. . . .

The up to date 2008-2009 North Star Chapter Membership Roster has been printed and is being US mailed to all members.

The roster contains information on members and cars they own. If you are having issues with your Studebaker/Packard need certain parts check thru the roster to find who owns a similar model and give'em a call. I've done this many times and always had pleasant conversations.
